To whom it may concern;

I have known Jack Betterly since 1981 when we were both employees of Romanation Jewelers. In 1989 we formed a partnership to acquire the store and ran it together for 17 years. During that time, we worked well together as a team, improving the store considerably. He was always an honest, hard working, and fair business partner. The dissolution of our partnership was amenable to both parties and we have stayed on good terms. I'm pleased to say I currently use his new firm to repair all the clocks for Romanation Jewelers, and have since his leaving in 2003. His workmanship is impeccable. I am happy to recommend him to anyone.

Sincerely, James Cook
Owner of Romanation Jewelers
